1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that this is essential for ensuring the integrity of the financial system and for providing a clear audit trail.

2. The second part of the document outlines the specific procedures for recording transactions. It details the steps involved in entering data into the system, from initial entry to final verification.

3. The third part of the document addresses the issue of data security. It discusses the various measures that should be taken to protect sensitive information from unauthorized access and loss.

4. The fourth part of the document discusses the importance of regular backups. It explains how backups can help to prevent data loss in the event of a system failure or disaster.

5. The fifth part of the document discusses the importance of training. It explains how training can help to ensure that all users are familiar with the system and its procedures.

6. The sixth part of the document discusses the importance of documentation. It explains how documentation can help to ensure that all procedures are clearly defined and easy to follow.

7. The seventh part of the document discusses the importance of communication. It explains how communication can help to ensure that all stakeholders are kept informed of any changes or issues.

8. The eighth part of the document discusses the importance of monitoring. It explains how monitoring can help to ensure that the system is running smoothly and that any problems are identified and resolved quickly.

9. The ninth part of the document discusses the importance of evaluation. It explains how evaluation can help to ensure that the system is meeting its objectives and that any areas for improvement are identified.

10. The tenth part of the document discusses the importance of review. It explains how review can help to ensure that the system is kept up to date and that any changes are implemented correctly.

DIVISION OF VITAL RECORDS, P.O. BOX 13146,

TO THE HOSPITAL OR ATTENDING PHYSICIAN: The law requires that the death certificate be executed within 24 hours after death. If the death is not reported to the hospital or attending physician, the funeral director should be notified at once.

TO THE FUNERAL DIRECTOR: After this certificate has been signed by the attending physician and completely filled in by the funeral director, it should be detached for use as the burial-transit permit. Pages 1, 2, 3 should be filed within 72 hours after death with the State Dept. of Health and Mental Hygiene prior to burial, cremation, or removal.

IMPORTANT: If item 28 is marked, or item 23 shows any injury, or other traumatic event, the medical examiner must be notified at once.
